Torrance Market Retains Building

Will Add Delicatessen Dainties and Install New Fixtures

W. R. Lee, proprietor of the Torrance Market, announces that he will retain the present building now jointly occupied by the Torrance Market and the Fess Grocery, and will install new fixtures and add a delicatessen line of goods for the trade.

Mr. Lee also states that he will install the solicitation and delivery system for the trade and that he will handle a much larger line of fresh and salt meats in the future. The refrigerator plant which has been a feature of his business in the past, will easily take care of the meats, lards, butter, etc., in the summer season and this fact alone guarantees fresh merchandise at all times.

Born, to Mr. and Mrs. C. E. Keefe of Kern Court, a 8½-pound daughter, Virginia, March 26.

Mrs. Sarah Turner, mother of Mrs. Nora Mills, of Andree avenue, was taken to the White Memorial hospital, Los Angeles, Tuesday to undergo an operation Wednesday.

Mr. and Mrs. Leslie Paxton and daughter Doris, with Mr. and Mrs. Fred Palmer of the Palmer service station, motored to Bakersfield Sunday and met Mrs. L. Sykes of Oakland, a sister of Mrs. Paxton's and Mrs. Palmer's, who returned with them for a two weeks' visit. Mrs. Sykes formerly resided in Torrance, leaving here about a year ago.

Drink Water If Back or Kidneys Hurt

Begin Taking Salts if You Feel Backachy or Have Bladder Weakness

Too much rich food forms acids which excite and overwork the kidneys in their efforts to filter it from the system. Flush the kidneys occasionally to relieve them like you relieve the bowels, removing acids, waste and poison, else you may feel a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, the stomach sour, tongue is coated, and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment, the channels often get irritated, obliging one to get up two or three times during the night.

To help neutralize these irritating acids and flush off the body's urinous waste, begin drinking water. Also get about four ounces of Jad Salts from any pharmacy, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys may then act fine and bladder disorders disappear.

This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to help clean and stimulate sluggish kidneys and stop bladder irritation. Jad Salts is inexpensive and makes a delightful effervescent lithia-water drink which millions of men and women take now and then to help prevent serious kidney and bladder disorders.

By all means, drink lots of good water every day. Have your physician examine your kidneys at least twice a year.
